Interschools Canada

Designed for children holidaying with their families or as a member of a school group, the Interschools Canada program specifically caters to the needs of Australian children who participate in Interschools competitions and are looking to improve their skills and performance while experiencing a unique and fun Canadian snow holiday.

The Interschools Canada program offers dedicated Interschools style race courses and training facilities, highly qualified coaches and unparalleled support from Silver Star Mountain Resort, world renowned for its exceptionally reliable snow conditions.

The Interschools Canada program is owned and operated by the School SnowSports Development Foundation, a “not for profit” Australian organisation which manages the Victorian and Australian Interschools SnowSports Championships.

Enjoyable experience for the whole family

Catering for the whole family, the Interschools Canada 'Parents Academy' offers parents and other adult family members the opportunity to enhance their own skiing in a fun and friendly program. The 'Parents Academy' mirrors the timelines of the children's program making for an enjoyable and effortless holiday for the whole family.

Exceptional training facilities

Interschools Canada Training and Racing

The Interschools Canada program provides specialised training for Australian junior skiers and snowboarders in all disciplines. All Interschools Canada coaches are highly qualified and have been specifically chosen for their expertise in coaching the various Interschools disciplines

Each program runs for five days and participants can choose to join in as many weeks of the program as they wish. Each weekly program offers coaching in overall technique improvement as well as specialised race training in Alpine, Skiercross and Moguls; Snowboard and Snowboardcross or Cross Country. Plus participants also have the opportunity to develop their freeride skills in the park.

Each of the fun filled and exciting programs culminate with weekly races for participants and parents followed by awards presentations in the village centre.

With our small group sizes, quality coaches and specific programming we'll be sure to give your child a competitive edge during the 2013 Australian Interschools events.

Fun for the whole family

Each week's Interschools Canada program commences with the Sunday evening "Welcome Reception" where you will meet key resort personnel, along with the coaches and other program participants and their families.

The Interschools Canada program also includes a mid week 'get together' to give the adults the opportunity to socialise and relax while our staff take the children ice skating or snow tubing.

Interschools Canada Hosts

The Interschools Canada program has dedicated and professional 'hosts' who are on hand at all times to provide unsurpassed assistance to ensure your family have an enjoyable and trouble free holiday.

The Interschools Canada hosts supervise the program and meet with participants and parents several times each day. After the children have headed off with the coaches to train the hosts offer guided ski tours of the resort.

The hosts are also a great source of information providing daily updates of all the activities and events happening in and around Silver Star.
